

Woodrow Wilson Elementary

Dear Parents,

You are receiving a copy of the 2007 Oklahoma School Accountability Data Report. This report contains Academic Performance Index and Adequate Yearly Progress information for Woodrow Wilson Elementary and the Duncan Public Schools. Woodrow Wilson's API scores for all students for 2007 were Math 940 and Reading 910. As you look at the report you will see the scores of different subgroups. Woodrow Wilson has met all required targets to make given credit for meeting Adequate Yearly Progress. We are continuing to work to improve at Woodrow Wilson Elementary. We thank you for your continued support.

Sincerely

Bud Conway
Principal
